M. A. SRINIVASACHARI,
Executive Engineer.

TUMKUR DIVISION.

Notification dated 16th March 1936.

1. Sealed tenders will be received at the Office of the Executive Engineer, Tumkur Division, up to 2 P.M., on Wednesday the 8th April 1936.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Tumkur Division, for each form should be addressed to the Executive Engineer, Tumkur Division, and should be superscribed as ' Tender for constructing Empress Girls' High School at Tumkur.' The name of the tenderer should also be superscribed on the sealed cover.

3. Each tender must be accompanied by a deposit of Rs. 1,500 (in words rupees one thousand five hundred only) in cash as earnest money. The earnest money of the successful tenderer will be retained as security deposit for due fulfilment of the contract (cash amount will not carry any interest).

4. The tenders will be opened in the presence of such contractors who wish to be present on the 8th April 1936. The final acceptance of the tender will rest with the Superintending Engineer, Mysore Circle, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within 8 days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the Departmental Schedule contract form for the due fulfilment of the contract.

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. Copies of contract documents, estimates and drawings may be seen at any time at the Executive Engineer's Office, Tumkur Division, on all working days between 11 A.M., and 5 P.M.

8. Specific rates should be given for each item in the Schedule, and the rates should be in rupees, annas and in multiple of three pies and expressed in words and figures. Tenderers offering a percentage reduction on the estimate amount will be rejected.

9. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates tendered should include all such lumpsum items.

10. No alterations which are made by the tenderers in the contract documents in the nomenclature of the sanctioned sub-heads will be recognised and if corrections are made the tenders will be liable to rejection.

11. There should be no corrections or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

12. No reference should be made to the Public Works Department for current schedule of rates.

13. On the event of the tender being submitted by a firm, it must be signed separately and severally by such number thereof or in the event of absence of any partner, it must be signed on his behalf by a person holding power of attorney authorising him to do so.

14. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates to be proposed by the Executive Engineer and approved by the Superintending Engineer shall be final and legally binding on the tenderer.

15. The quantities given in the schedule are only approximate and are liable to alterations, omission, deductions, or additions at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity whether higher or lower than those given in the enclosed schedule.

16. The works should be completed and handed over to the Public Works Department by the end of month to be fixed by the Executive Engineer failing which the Executive Engineer may at his discretion levy a penalty, which will be recovered from the contractor's outstandings for the period exceeded by him till the work is completed, and handed over.

17. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quantity of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.
